DEALER LOCATOR

BUILT AROUND YOU

Every update across these pages is focused on one goal: simplifying everyday workflows and reducing effort. From placing and tracking orders to managing your account and dealer network, these enhancements are designed to provide smoother experience, better visibility, and easier access to the tools you need.

Here's what's new.

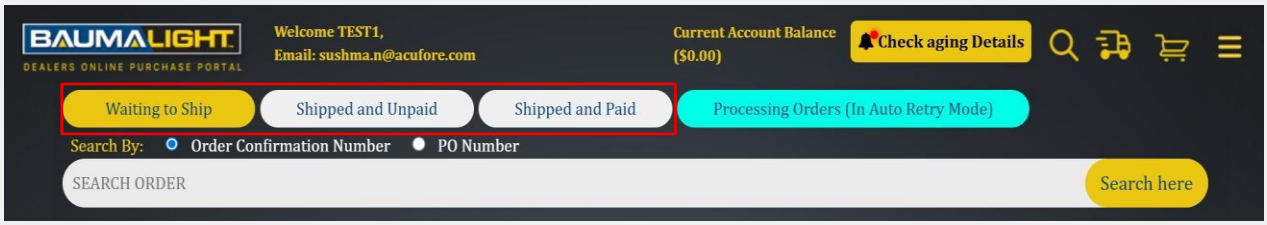

ONLINE ORDERING

Faster orders. Clearer visibility. Fewer clicks.

01

My Orders page

The **My Orders page** is now divided into three sections: **Waiting to Ship, Shipped & Unpaid, and Shipped & Paid**, making it easier to check the status of your orders.

02

Copy Previous Orders

The new **Copy Order** feature lets you quickly duplicate a previous order, making it easier and faster to place repeat orders.

03

Improved Online Ordering Interface

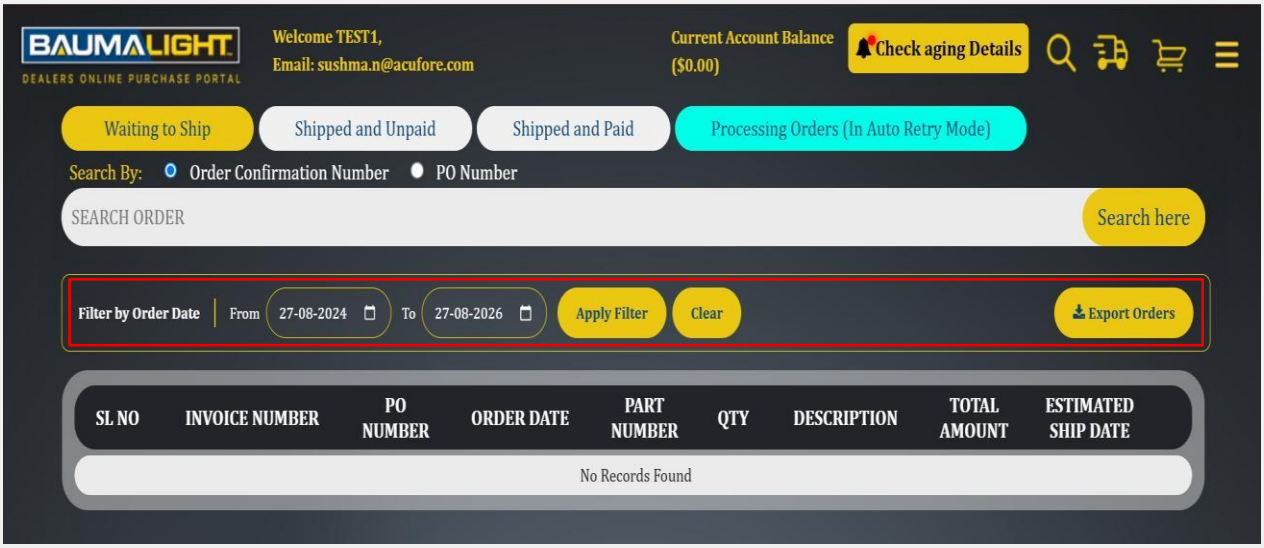

The online ordering navigation bar has been updated with an aligned **welcome message and email address**. The **profile icon has also been replaced with a three-bar (hamburger) menu**, making navigation simpler and easier to use.

04

Filter & Export Orders

You can now filter orders by **order date** and export the filtered order details to **Excel**, making it easier to find specific orders and prepare reports

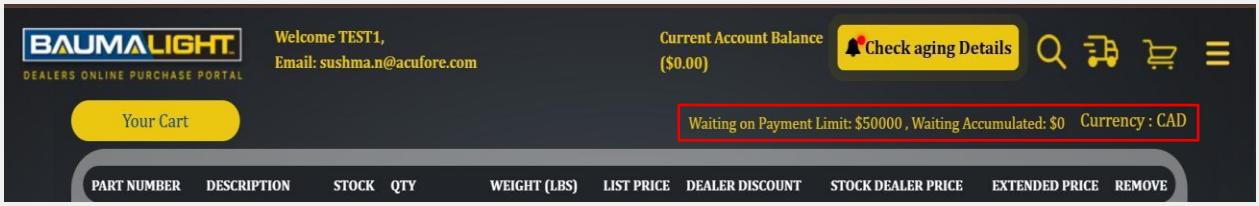

.

05

Payment Limit & Usage

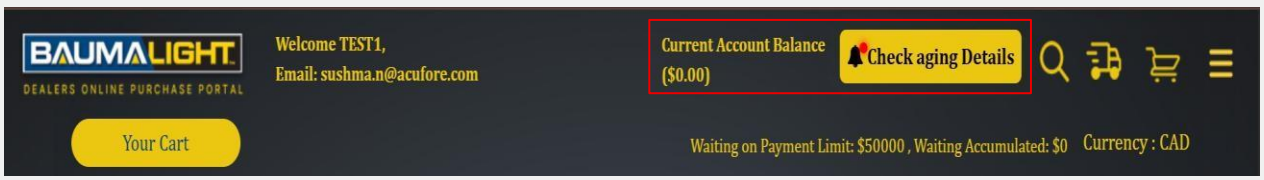

Your **Waiting on Payment Limit** and the **total amount already used** are now displayed directly on the online order cart page, so you can check your available limit before placing an order.

06

Dealer Account Balance Visibility

Dealer **account balance information** is now available directly in the online ordering experience. Dealers can view their **current outstanding balance** and drill down into **overdue invoices with aging details**.

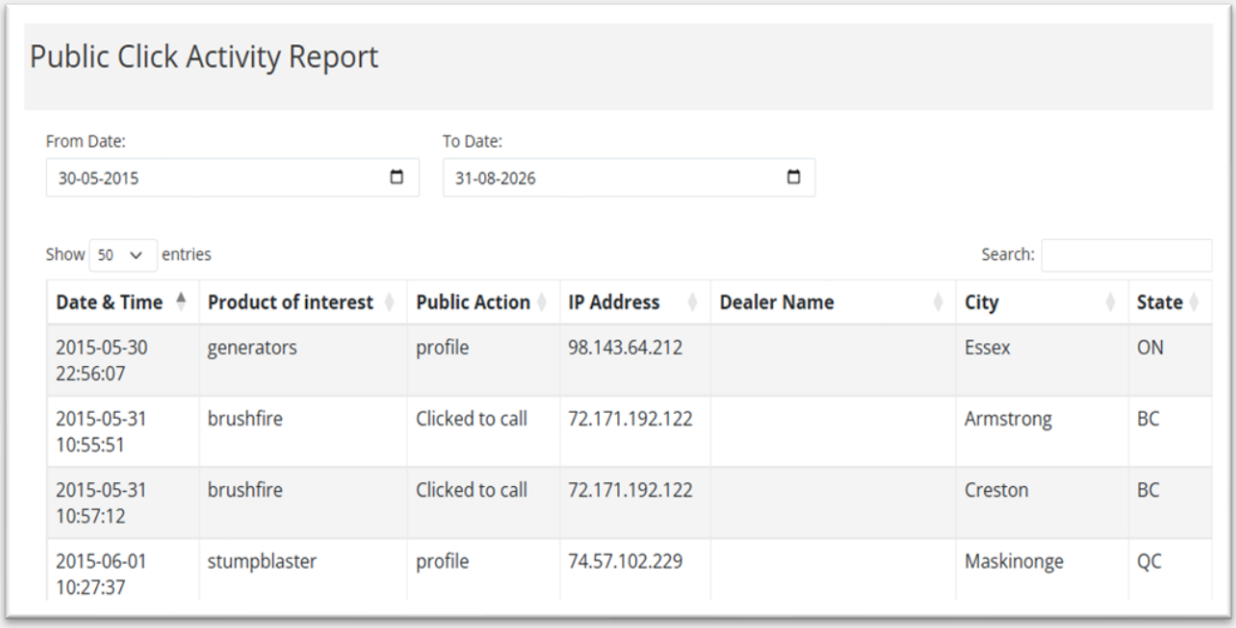

DEALER LOCATOR

Sharper insight into every dealer interaction.

07

Public Click Activity Enhancements

Enhanced the **Public Click Activity Report** to improve visibility and navigation of dealer interaction activity for **Admin, Representative, and Sub-Representative users**.
