

Streamline Your Ordering with Baumalight's Online Portal

Baumalight's Online Ordering Portal is designed to improve the ordering process for all reps, dealers and distributors. No matter the size of your team or your comfort with technology, our online order system is designed to be easy to use and make ordering products more efficient.

Why Use Online Ordering?

INSTANT ORDER SUBMISSION

Place orders directly; no waiting, no missed emails, no manual entry on our side to delay your order. Your order goes straight into production for faster processing, allowing your order to be placed in higher priority over other orders that were emailed in for manual entry.

REVIEW PAST & CURRENT ORDERS

Track your order history and status anytime, anywhere.

OTHER CUSTOMERS LOVE IT, AND YOU WILL TOO

Several Baumalight customers are already using the online ordering portal and are loving the streamlined experience. Baumalight strongly encourages all dealers and distributors to take advantage of this efficient ordering method.

LIVE, UP-TO-DATE PRICING

Access real-time pricing for all Baumalight products. No more guessing or waiting for quotes.

IMPROVED ORDER ACCURACY

Our system has automatic prompts that help to ensure that you are ordering the correct products and add-ons.

REDUCE HUMAN ERROR

Avoid mistakes from manual data entry. What you submit is exactly what we receive.

SAVE MONEY WITH ONLINE ORDERING!

For all Baumalight Dealers, we are currently offering a discounted price on many replacement parts when you place your order online. View our online portal to learn more!

Online order pricing benefits are available to Authorized Baumalight Dealers, including dealers purchasing through a distributor. If you (dealer) ever run into a situation where a distributor tells you that this cannot be done, then please contact the Baumalight sales team and ask for the owner's email address and contact him directly so he can check in and make sure the distributor has a legitimate reason for denying this benefit.
